# Important information

### Late payment fee

The late payment fee for consumer wireless bills not paid in full by the payment due date is up to \$8.00.

#### **Electronic check conversion**

Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to \$30. Returned checks may be presented electronically.

### Company fees & surcharges

AT&T imposes additional monthly fees on a per line basis, including:

- An Administrative & Regulatory Cost Recovery Fee (to defray certain expenses including charges AT&T or its agents pay to interconnect with other carriers to deliver calls from AT&T customers to their customers, charges associated with cell site rents and maintenance, and costs it incurs to comply with certain government-imposed regulatory requirements, including but not limited to Wireless Number Portability and Number Pooling, and E911).
- Federal/State Universal Service Fees to help AT&T recover mandatory contributions it makes to federal and state universal service funds.

• State/Local Cost Recovery Fees to help AT&T recover taxes and required payments levied on AT&T by states and local governments. These fees are not taxes or charges that the government requires AT&T to collect from its customers. See att.com/mobilityfees for details.

#### California surcharge

AT&T collects a surcharge on a per line per month basis as required by the California Public Utilities Commission (CPUC) to fund CPUC Public Purpose Programs. For more info on the Public Purpose Programs and how these funds are used, please go to the CPUC's website at cpuc.ca.gov and search for "Surcharge Rates" at the top right of the page.
